

**COMMITTEE OF PROBLEMISM
OF THE WORLD DRAUGHTS FEDERATION
(CPI FMJD)**

Rules and Regulations

of the seventh personal world championship of problems
(PWCP- VII), king's problems section

1. Seventh personal world championship of problems (next – PWCP-VII), king's problems section, is an official competition of the CPI FMJD which is fully responsible for organizing PWCP-VII.

Timeframe: August 1, 2017 – September 1, 2018

Deadline to submit positions: January 1, 2018

Positions publication on Internet sites and sending them to judges: February 1, 2018

Preliminary results: June 1, 2018

Final results : August 1, 2018

Award: September 1, 2018.

2. The PWCP-VII is running under the CPI FMJD International Rules (RI) for problems (Part I) and for competitions (Part II). Specific requirements to problems with Kings and Poli-Problems are covered in RIP 1.16.1-1.16.7.

3. The problems with King(s) which meet requirements for either "Règles de Maîtres" (RM) or "Règles Supérieures"(RS), can participate in the World Championship. The Problems which meet requirements only for the level "Règles de Base" (RB), are not allow to participate in the World Championship PWCP-VII.

4. The following problems can participate in the PWCP-VII:

New problems, published problems (including Internet) and/or problems which participated in other championships (except problems from PWCP-VI, category "E") and/or concourses without cutoff dates + improvements and/or variations of author positions. If problem was already published or participated in other competition, author shall specify title of competition, or source and date of publication.

5. The problems composed by team or co-authors are not allow to participate.

6. PWCP-VII consists of 5 categories. In each category the task is: "white to move and win". For all compositions which participate in competition: sum number of all black pieces in each category shall not exceed 20.

Requirements to categories:

6.1. **King Problems (KP)** [RIP, 1.16.1-1.16.6]

6.1.1. **Category "A"**. Free theme.

6.1.2. **Category "B"**. Theme – at least three majority jumps.

6.2. **Polipproblems (PP)**. [RIP, 1.16.7].

Free theme for each Polipproblem in categories "C", "D", "E".

6.2.1. **Category "C"**. Free theme. White has no more than 4 pieces (man and/or Kings).

6.2.2. **Category "D"**. Free theme. White has 5, or 6, or 7 pieces (man and/or Kings).

6.2.3. **Category "E"**. Free theme. White has more than 7 pieces (man and/or Kings).

7. In each category participants can submit up to two problems by typing category and full solution until the moment when white win is obvious. Solution must be written by "short notation" and include only compositional variations and compositional false solutions + prove of legacy in initial position when white piece(s) are attacked by black piece(s) (RIP, 1.3).

If problem participated in the past in other competition(s) or was published (including Internet sources), author shall include in solution information about competition or publication including date and source of first publication. In addition, in special note, author can write non compositional variations, solution clearance prove (no alternatives) and/or text notes regarding (for instance) why some black piece is not statist etc. Coordinator sends these additional comments to judges but do not make them available to public when positions and solutions are publish.

8. Each individual problem shall get points based on the place in category as following:

1st place – 100 points, 2nd place – 97 points, 3rd place – 94 points, 4th place – 92 points, 5th place – 90 points, 6th place – 88 points, 7th place – 87 points and so on by subtracting one points for each place. Positions can be eliminated only in case based on objective criteria's defined in RIP.

9. Individual total points for each participant are calculated as sum of 7 (seven) best problems disregard the category. This means that all problems in all 5 (five) categories will be considered.

10. Criteria's for tiebreak:

10.1. Sum of points for 8 best problems.

10.2. Sum of points for 9 best problems.

10.3. Sum of points for 10 best problems.

11. The winner of the PWCP-VII will be named as a CPI FMJD World Champion. Winner, 2nd and 3rd players also will be awarded by CPI FMJD Diploma's and money prizes:

- I place – \$200 US

- II место – \$100 US

- III place – \$50 US.

12. Judge Committee of the PWCP-VII:

**I. Ivatsko (Ukraine), A. Kogotko (Belarus), A. Sosunov (Ukraine),
R. Shayakhmetov (Russia).**

PWCP-VI Coordinator – **V. Shulga (Belarus).**

PWCP-VII Consultant – **A. Polevoy (Israel).**

Members of Judge Committee cannot participate in the world championship (RIP, 2.3).

13. Participants of PWCP-VII shall submit problems before January 1, 2018 to Coordinator electronically or by regular mail. In case of regular mail, submission official date will be considered the same as stamp date on envelope. In order to avoid conflicts, it is highly recommended to send regular envelopes by using "certify mail" method.

Participants also can specify their email address if they have one.

Coordinator's address: P.O. Box 52, Minsk -51, 220051, Belarus.

Coordinator's e-mail: shulga.checkers@gmail.com
